### Letter from the President, Deborah Bogdan

The ability to keep up to date with federal and state legislative, regulatory and industry changes is critical now more than ever. NAHU members have terrific resources that enable them to stay informed, thereby doing what is right and legal for their clients. Membership with NAHU is one of the most important relationships that you can have within your professional industry. If you are not a member, why not? Now is a great time to join!

If you have any questions on what a NAHU membership includes, please feel free to contact any one of the NEOHUA Board of Directors or you can review them online at [www.nahu.org](http://www.nahu.org).

Sincerely,  
Debbie Bogdan
